FILM TAX INCENTIVE EXPERTS AND PLACEMENT SPECIALISTS

The professionals of Tax Credits, LLC are incentive film tax credit experts and Placement Specialists, placing over a half-a-billion in various state tax credits since 1998. Purchasing tax credits at a discount allows individuals and large corporations with significant state tax liability to realize substantial savings. With approximately 1400 successful transactions completed to date, Tax Credits, LLC has become the nation's leading Placement Specialist among Fortune 100 companies.

"Tax Credits, LLC not only provides tax savings opportunities, their attentive ability to stay in touch and understand your company's needs or limitations, and advise you accordingly, brings a sense of comfort to want to work with them."

---Christine Cudney, Director of Tax, Ameren Corporation.

Because of significant economic benefits, many states, including Pennsylvania, have enacted legislation to attract film production revenue. These transferable tax credits are "clean", in that there is no risk of recapture. Film tax credits, which typically deliver annualized yields in excess of 30%, are now available in 16 states nationwide.

"Tax Credits, LLC is clearly committed to the long-term success of Pennsylvania's film tax credit program, Creativity in Focus. They have made valuable legislative proposals and have been instrumental in the formulation of guidelines that target best practices and clarity. Thanks to the expertise and support of Tax Credits, LLC, Creativity in Focus maximizes the interests of producers, tax credit buyers and the Commonwealth, making it one of the best programs in the country." --- Sharon Pinkenson, Executive Director, Greater Philadelphia Film Office.

Simplification of the tax credit purchase process is the goal of Tax Credits, LLC. Major corporations can realize substantial tax savings in as many states as possible by allowing Tax Credits, LLC to analyze the legislation and guidelines, identify appropriate tax credit purchase opportunities and manage the paperwork. Average annualized yields often exceed 30% with no risk and with little to no additional burden on your busy tax department. In 2012 alone, the number of transferable Film Production tax credits issued in the U.S. will approach \$500 million. That number will surely increase annually, creating vast savings opportunities for US corporations. If your company has substantial tax liability in Alaska, Arizona, California, Connecticut, Florida, Georgia, Illinois, Iowa, Louisiana, Massachusetts, Missouri, New Jersey, Pennsylvania, Puerto Rico, Rhode Island or West Virginia, a meeting with Tax Credits, LLC is critical. Tax Credits, LLC ...your partner in maximizing state tax credit benefits.
